

BLACK HILLS POWER (BHP)

presents

ACRT

Line Clearance Arborist Certification Class

A 5 day course here in Rapid City

Room for only 12 students

Satisfactory completion of this program meets the requirements of OSHA 29CFR 1910.269. That regulation requires employers of line clearance tree trimmers and aerial lift operators to certify that their employees have received special training according to recommended training guidelines contained in Annex B ANSI Z133.

Depending on interest – potential dates are:

SEPTEMBER week of the 15th, 22nd, or 29th
OCTOBER week of the 13th or 27th

The ACRT training combines classroom demonstration, field training and testing.

Upon satisfactory completion of the ACRT conducted course, participants receive an:

- Line Clearance Arborist Certification manual
- ACRT Line Clearance Arborist certificate
- Helmet decal
- Identification card

Tuition will be based on the number of committed students, to bring the instructor to Rapid City. We need at least 10 students to equal the tuition price of \$720. per student if attending in Akron OH.

*A full class of 12 students would bring **our tuition to \$605.** per student.*

Please contact Mark Young ASAP to let me know you are interested. I am requiring a refundable deposit of \$200. to hold your place. If I do not get at least 10 committed students, then I won't host the course.
